作品[訛]的構想源自於「傳話遊戲」，但本作品是以繪圖的方式來進行。第一位使用者任意畫一張圖，將圖傳給下一位使用者。第二位使用者在沒有文字跟其他訊息的輔助下，依自己對圖片的理解將圖重畫一次，再傳給下一個人…

The work *Drawing Whispers* is inspired by the game "Chinese Whispers". Instead of passing a phrase or sentence, it is a drawing version. The first player could draw a picture at will. Then this picture would be passed to subsequent player. The second player who browses the picture without any description could draw another one like that according to his own understanding and then pass the picture to the next player. …
