

[音·悅·卉] Flower Muiz

陳威廷 Wei-Ting Chen, 王照明 Chao-Ming Wang

清新脫俗的海芋，宛如雪白仙子般，出淤泥而不染，純白的顏色使人心曠神怡。海芋在風中搖曳的模樣，彷彿是跳著舞的少女，輕快地跟著風的旋律，翩翩起舞。

在作品[音·悅·卉]中，創作者想邀請觀者親身與花卉互動，進而產生猶如音樂會般熱鬧的聲光享受；而花卉與美妙音樂的巧妙結合，更呈現出愉快、美麗且充滿自信的搖曳姿態。

The fresh calla lily that frees from philistinism, as a white fairy, keeps itself unspotted from the world. The pure white color makes people refresh their mind and enhancing their emotional states. The look that calla lilies swaying in the wind is like dancing girls following the rhythm of the wind and lightly moving to dance.

In the work *Flower Muiz*, the creator tries to invite the viewers interact with those flowers to make the enjoyment of the concert. And as the wonderful combine of the flowers and music, the work also shows a gesture of delight, beauty and confidence.
